

Tiffini Hall

This native Houstonian has served as an educator for over 2 decades. She is excited to serve at Uplift Hampton Preparatory Middle School as the Theatre Arts Educator, Department Chair and the Content Teacher Lead for the Network's Theatre teachers. In addition, Tiffini has served as a powerfully gifted Worship Leader in several churches across North Texas.

Tiffini is the founder of Christ~ARTS Ministries®. CAM's® goal is to produce Broadway-scale productions that depict the life, death, and resurrection of Jesus Christ in ordinary people. Under CAM®, Tiffini has developed a curriculum that facilitates "Kid-Kreated/Driven" theatrical productions. The goal is to provide a safe place while equipping young people with artistic tools to process childhood trauma and to document their journey by creating beauty from their ashes. Tiffini is also excited about an upcoming installment in her one-woman mono-vlog series, "The Resurrection of HER", detailing her experience with mental illness, being a "PK" aka "Pew Kid" and surviving as an Arts educator/mentor to an awkward generation.
